CHILD ADVOCACY CENTER

McMahon Ryan Child Advocacy Center is a nonprofit organization dedicated to ending child abuse through prevention, intervention, and education by facilitating a coordinated, multi-disciplinary team approach. Victim advocacy, law enforcement, child protective services, medical, mental health, and prosecution professionals work together to provide a safe, child-friendly environment where cases of child sexual and severe physical abuse are investigated, evaluated, and treated.

McMahon Ryan Child Advocacy Center is the only facility of its kind in Onondaga County that provides services to physically and sexually abused children. The Center is committed to reducing trauma, fostering healing, and advocating on behalf of all child victims. Last year alone, nearly 1,000 children in Onondaga County were provided services and a path to healing.

How can you make a difference? 100 Holes 4 Kids is not your typical charity golf tournament. It is a unique fundraiser with only 22 committed golfers, who start their day at 6 a.m. and play 100 continuous holes of golf, finishing up 12 hours later. The golfers are sent out in twosomes to play each round of 18 holes at a 2 hour, 15 minute pace. Each golfer is tasked with raising a minimum of \$3,000 and works tirelessly for the three months prior to the event. As they begin the day, the goal of \$100,000 for the children is always before them. In the first 14 years of the tournament, over \$1 million has been raised to support the center. You can be a part of this great effort by committing to one of the available sponsorships.
