

TAKE THE  
CHALLENGE!

# Over EDGE

## 4 KIDS

Supporting

**McMahon Ryan**  
CHILD ADVOCACY CENTER

**ULTIMATE  
COMPANY  
CHALLENGE!**

Take your support of **McMahon/Ryan Child Advocacy Center** to new heights this summer by rappelling down the side of a 10-story building in **downtown Syracuse** at One Park Place!

On **August 17**, 90 brave community members and leaders will raise money and go **Over the Edge**.

Proceeds from the event will go toward the MRCAC, a nonprofit organization that provides care to 1,000-plus abused and neglected children in Onondaga County.

## HOW CAN YOUR ORGANIZATION GO OVER THE EDGE?

**INDIVIDUALLY** – Are you brave enough to face your fears for kids? Sign up today to become a rappeler for just \$75 and raise at least \$1,000 to participate in the event.

**TOSS YOUR BOSS** – Get the whole office involved! If you can raise at least \$1,000 as a team, you can send your boss Over the Edge. In order to get out of rappelling, they must raise an additional \$500 to send someone else down the building instead!

**TEAM UP, RAPPEL DOWN** – Rappelling down a 10-story building with a team of co-workers is the ultimate employee bonding and team-building experience. Register a team of five for a donation commitment of \$4,000 and have your company sponsor you! Fundraise individually or as a team. Make the experience even more fun by coordinating team shirts or outfits!
