

October 2022

Dear Supporter of McMahon Ryan Child Advocacy Center,

We are so grateful for the community that has sponsored, volunteered, celebrated, and advocated for McMahon Ryan Child Advocacy Center throughout the years. During April, we honor those who are victims and survivors of child abuse and bring awareness through events that help fund the services we provide to these children and their families. Your support truly empowers those at risk to overcome challenges and create positive, generational changes that benefit children, families, and the entire community.

This April, we will be offering our month long virtual running challenges to coincide with National Child Abuse Prevention Month. We are also excited to have our in-person 5K and Kids' Fun Run in our new permanent location, that starts and ends at Middle Ages Brewery. The in person event will be on Sunday, April 30th. Our hope is that you will help support this family fun event by reviewing the attached sheet and signing up to be one of our valued sponsors.

As many of you know, in October of 2020, we unexpectedly lost our dear friend and beloved race director, Melissa Wenham. Melissa was instrumental in the success of Step Up 4 Kids over the years and she had great passion for the cause. In 2021, we dedicated the Step Up 4 Kids Race in her honor. She was a fierce advocate for children and was committed to stopping child physical and sexual abuse in our community. We hope that you will join us in honoring Melissa's memory, mission and passion for this cause by supporting us this April.

McMahon Ryan Child Advocacy Center is a nonprofit organization dedicated to ending child abuse through intervention, prevention, and education. We offer a safe, child- friendly environment for abused children and their families dedicated to reducing trauma, fostering healing, and advocating on behalf of all child victims. Thanks to support like yours, our Advocacy Center was able to provide services to over 1,500 children from our community who had been sexually or severely physically abused, trafficked or murdered. The funds generated from Step Up 4 Kids will allow us to continue to help these children and prevent child abuse in our community by providing counseling services and enhancing our school outreach program.

Together, we can work to build awareness and make a difference! We thank you in advance for your support.
