

July 1st 2023

Dear Supporter of McMahon Ryan Child Advocacy Center,

It's time for our sixth annual **Stand Against Child Abuse Conference** to be held on September 20th, 2023. Last time we hosted the conference we had over 300 attendees. This conference is essential for the professionals in our community to learn the best practices to treat and prevent child abuse.

This year's conference will be held at the OnCenter, featuring a variety of professionals with various backgrounds all pertaining to the model of a Child Advocacy Center. Participants will engage in several workshops that will provide learning experiences related to each component that makes up a child advocacy center; medical, therapy, law enforcement, child protective services, and advocacy. *We hope you will join us in making this event a success by reviewing the attached sheet and supporting McMahon Ryan Child Advocacy Center as one of our valued sponsors.*

Each year over 1,500 children come through McMahon Ryan Child Advocacy Center having been a victim of sexual and physical abuse. One in ten children will be sexually abused by their 18th birthday. And 90% of child sexual abuse victims know their abusers.

At McMahon Ryan Child Advocacy Center, care for the child and family is coordinated in one place – our safe, welcoming, child-friendly center. All of the professionals who are involved in the abuse system are here, ready to help. They're specialists in what they do, and they work together as a team to keep the process simple and effective.

Healing cannot happen without caring members of the community, like you. Your sponsorship makes it possible for McMahon Ryan to help those who often don't have a voice.....our children. We thank you for your consideration in becoming a 2023 sponsor for our **Stand Against Child Abuse Conference**.

Sincerely,

A handwritten signature in cursive script that reads "Colleen Merced".
