### **WHAT IS THE STAND AGAINST CHILD ABUSE CONFERENCE?**

This 1-day conference is for professionals in our community who work with children, to learn the best practices for treating and preventing child abuse. The conference will feature a variety of speakers with various backgrounds all pertaining to the model of a Child Advocacy Center. Participants will engage in several workshops that will provide learning experiences related to each component that makes up a child advocacy center: medical, therapy, law enforcement, child protection services, and advocacy.

The 7th Annual Stand Against Child Abuse Conference will take place on Tuesday, September 17th, 2024. Last year, we had over 250 attendees come to learn these best practices and improve their knowledge. This training is essential for professionals in our community who work with children and we need your support! We hope you will join us in making this event a success by reviewing the attached sheet and supporting McMahon Ryan Child Advocacy Center as one of our valued Stand Against Child Abuse Sponsors!
