

Dear Community Partner,

Every child should be seen, heard and protected!

In Onondaga County we have over 96,900 youth under the age of 18, and far too many of them will face the unimaginable. One in three girls and one in four boys will experience sexual abuse by the time they turn 18. Even more alarming, one in five youth will become victims of sex or labor trafficking. **But there is hope.**

At McMahon Ryan Child Advocacy Center, we provide a safe and nurturing space where children can find the help they need to heal. We are the only organization in Onondaga County solely dedicated to ending child abuse through a coordinated approach that focuses on **prevention, intervention, and education**. Last year alone, we supported more than 1,500 children who had suffered abuse, over 150 youth who were victims of trafficking, and reached over 22,000 children through school-based prevention programs.

Your support last year made an enormous impact. Thanks to the generosity of our donors, we were able to hire two additional trauma-informed therapists, ensuring that more children could receive the life-changing help they desperately need.

But our work is far from over.

By joining us again this year, you have the power to **sustain** these crucial programs, help us to extend therapy to more children, and continue building a future where every child can thrive. Together, we can lighten the burden of abuse for the most vulnerable among us and create a community that stands up for its children.

Your generosity changes lives.

What Your Sponsorship Supports

By becoming a sponsor for a McMahon Ryan Child Advocacy Center event, you provide a path to healing for children who have experienced sexual or physical abuse, while helping prevent it from happening to others. Your support directly impacts our mission to end child abuse in Onondaga County, ensuring every child receives the care they need to heal and thrive.

Our coordinated, multi-disciplinary approach brings together experts from law enforcement, medical professionals, social workers, victim advocates, and therapists. This team works collaboratively under one roof to provide comprehensive support, preserve crucial evidence, and prevent future abuse. Your sponsorship not only helps children heal, but also strengthens our community's collective efforts to protect its most vulnerable members.

Sincerely,

Erin Bates
