CHILD ADVOCACY CENTER

McMahon Ryan Child Advocacy Center (MRCAC) is a nonprofit organization dedicated to ending child abuse through prevention, intervention, and education by facilitating a coordinated, multi-disciplinary team approach. Victim advocacy, law enforcement, child protective services, medical, mental health, and prosecution professionals collaborate together to provide a safe, child-friendly environment where cases of child sexual and severe physical abuse are investigated, evaluated, and treated. We are the only facility of its kind in Onondaga County and last year alone, over 1,800 children were provided a path to healing.

Thanks to fundraisers like *100 Holes 4 Kids*, which has raised over 1 million dollars over the last 20 years, we are able to grow the services rendered at the MRCAC. We recently added our own in-house therapy program. Currently, we have 5 trauma-informed certified therapists that are active members of our multi-disciplinary team to provide the best path for healing for the children who have been abused. MRCAC is committed to reducing trauma, foster healing, and advocating on behalf of all child victims.

We need your help to continue to do this work and provide these services in Central New York.

How can you make a difference?

100 Holes 4 Kids is quite the atypical charity golf tournament. It is a unique fundraiser with 20 committed golfers, who start their day at 6 a.m. and play 100 continuous holes of golf, finishing up 12 hours later. The golfers are sent out in twosomes to play each round of 18 holes at a 2-hour, 10-minute pace. Each golfer is tasked with raising a minimum of \$3,000 starting at least three months prior to the event. Will you consider being a part of this noteworthy cause by committing to one of the available sponsorships?

ABUSE.

The word alone is hard to hear. And when a child has been abused, it is even harder to know where to turn for help, guidance, and understanding.

- ▶ About 1 in 10 children is sexually abused.
- ▶ Abuse happens everywhere, even in your neighborhood.
- ▶ Every 6 minutes, a child is sexually abused.
- ▶ 1 in 5 children is sexually solicited while online.
- ▶ 90% of the time, a child knows their abuser.
- ▶ 39% are abused by a family member.
- ▶ Only 1 in 10 sexually abused children disclose their abuse.
- ▶ Nearly 5 children die every day from neglect and abuse.
